For budget planning purposes the WGA-9 Board would appreciate if applications would be mailed or delivered by Aug 1, 2017. Thank you for this consideration

WGA-9 membership is open to all women owners or renters whose membership is in good standing with Cedar Hammock Golf & Country Club.

Our first league day will be Thursday, Oct 5, 2017 and on every Thursday (excluding holidays) through our final league day Thursday, April 26, 2018. Our first general membership meeting and luncheon will be on Thursday, October 26, 2017.

League members are required to establish and maintain a GHIN handicap index through the CH ProShop.

Our league handicaps are based upon an established GHIN index or a USGA approved handicap. New members must submit a GHIN number or a USGA validated handicap to the Pro Shop with their application. A member w/o either can have a handicap validated by the Pro Shop after posting 5 scores.

Tee box selection: Your tee box selection FOR THE ENTIRE 2017-2018 SEASON will be determined by your ENDING HANDICAP from the season that just completed in April, 2017. That handicap automatically is updated by GHIN on May 1, 2017. Members who choose the GREEN tee box MUST HAVE a Cedar Hammock handicap of 18 or higher, that was established on May 1, 2017. Members who have a handicap less than 18 may select either the RED/GREEN or RED tee boxes.

The list of Board Members and schedule of the season's events will be posted on the CH web site as they are completed, as well as noted in this season's handbook that will be distributed by the October luncheon meeting.
