For budget planning purposes the WGA-9 Board would appreciate if applications would be mailed or delivered by August 1, 2019. Thank you for this consideration.

WGA-9 membership is open to all women owners or renters who are in good standing with Cedar Hammock Golf and Country Club.

Our first day of play will be Thursday October 3, 2019 and every Thursday (excluding holidays) through our final day Thursday April 30, 2020.

League members are required to establish and maintain a USGA GHIN handicap index through the CH Proshop.

Our league handicaps are based upon an established USGA GHIN approved handicap index. New members must submit a USGA GHIN # or validated handicap to the pro shop with their application. A member without one can have a handicap validated by the pro shop after posting 5 scores.

Tee Box selection: Your tee box selection FOR THE ENTIRE SEASON will be determined by your ending handicap index from the season that just completed. Your handicap index is automatically updated by USGA GHIN. Members who choose GREEN TEE BOX MUST HAVE a CH18 hole index of 34 or higher. Members with an CH 18 hole index of less than 34 may select RED/GREEN OR RED TEE BOXES.

The list of Board Members and schedule of the season's events will be posted on the CH website.
